Discussion about raffle prizes, based on a question from Lida

New Business: -Sustainability committee: is there anyone who would like to be part of a subcommittee. Could we find a grant to help leverage a sustainability program (Clemence). Financing/fundraising would be the goal of this subcommittee. Plus collaborating with the school on the next step and feasible (such as composting food). Motion passes to move the sustainability committee forward.

-Parent's voice: Would we have any finances to work towards spiritwear/school apparel? Lida will look into the contact for the T-shirts, etc.

-Open discussion: Fall Festival: adding coffee and water, using indoor and outdoor space as needed. 45 degrees or warmer, try to keep things outside.

8. Adjournment: Motion carried at 9:27 pm.
